

BWIS

The logo for Breast Without Spot (BWS) features the letters 'BWS' in a bold, black, sans-serif font. A pink awareness ribbon is integrated into the letter 'W', forming its central vertical stroke.

Breast Without Spot (BWS)
Information for Volunteers.

BWS Profile

Breast Without Spot (BWS) is a not-for-profit, non-governmental organization registered under the Corporate Affairs Commission (CAC/IT/NO 33047). Its headquarters is in Enugu State, Nigeria

Vision

To have a world devoid of late detection of cancer and other non-communicable diseases.

Mission

To reduce the burden of death due to late cancer/other NCD detection through health education, screening, vaccination, training and research on cancers and non-communicable diseases.
